5.	An interesting point in connection with the above is the question of reconciling the policy, if true, with the tremendous and immediate dem for competent leaders to take over the administration of the new gover Another point is the question whether or not this policy represents a of the pattern of Chinese Communist imitation of the Soviet formula.	nment.
6.	LIN I-chung (林) * was sent to Sun Yat Sen University in Mosco before the Northern Expedition and saw there the Russian system of tra workers in what were traditionally institutions of higher learning. He returned to China with a low opinion of the Soviet version of a college education, and predicted that the same thing would happen in China if the Communists came to power.	ining e
7.	Finally, the question arises as to who in the Chinese Communist Party re sponsible for these policies and actions, if true. Various new, young members are completely indoctrinated in the vagaries of the Markist-Leninist line. These younger party members diffrom many of the old-timers such as MAO and CHOU En-lai, who are known look with disfavor on general imitation of Soviet Russian methods. The are ideological differences between the old and the young groups, aggree by distinctions in rank and gradations in physical comfort.	50X1-HUM ffer to 50X1-HUM
